

Trek Parts

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than sixty years of experience effectively designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are dedicated to offering top quality and new design concepts to be able to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They enjoy offering products which energize both their partners and their dealers and offer production gains to their clients.

The TREK team of employees likes new challenges and new tasks. They are very proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and requirements together with their understanding of cleaning applications, along with owners' strong desire to dramatically lessen cost through productivity gains.

When needed, the employees within TREK and its numerous dealer members in both technical support and parts would be obtainable. Among their core values is their high service dedication in their customer service. Keeping their customers' cleaning machinery ready and functioning day after day is top priority. The company's top of the line technology delivers dependable machinery which eventually lowers your cleaning cost. The service, the product and the price all work together in order to make them an industry leader.
